# Program of Activities

**10.00 am:** A guided bird watching & identification walk with local Birdlife members Astrid and Robyn. Learn about some of the 70 species seen on the reserve

**11.00 am:** Kids can join a photographic adventure with Dudley Dolphin and Sharon Meredith Photography to learn photography basics & tips for snapping wetland landscapes. (Ticketed event & byo device)

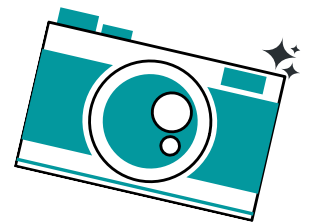

**12 noon:** Planting coordinator and Mandurah Herbarium member Clive will guide a short walk telling the story of the Friends Group, their successes and failures in rehabilitation, and sharing his knowledge of flora found on the reserve.

## Don't forget!

- Children must be accompanied by an adult
- Please wear appropriate footwear
- Bring a hat & BYO water, insect repellent & sunscreen
- Free 2 all-terrain wheelchairs (bookings essential)
- Bicycle rack available at entrance of reserve
- BBQ and picnic area at adjacent Grahame Heal Reserve
- Coffee van & food truck 500 metres at Osprey Waters
- No toilets in reserve, closest are at Osprey Waters
- No dogs are allowed in the reserve
- Please take all rubbish with you after your visit!
